

MOUNT BAKER SCHOLARSHIP FOUNDATION
SCHOLARSHIP APPLICATION
A Dollars for Scholars Organization

This foundation was formed in the spring of 1994, for the purpose of establishing permanent endowments to generate scholarship funds for Mount Baker High School graduates. Recipients of scholarships from these funds are encouraged to contribute to MBSF when they become financially capable so that others may also receive benefits to continue their education.

When you apply for a scholarship by filling out the general MBSF application form, you will be considered for a variety of scholarships for technical/community or 4 year colleges/universities. Some scholarships are awarded based on merit; some are based on financial need. Others specify that you have an interest/passion in a particular field. Scholarship descriptions are available in the High School Career Center and on the MBSF website (<http://mtbakerscholarship.org>). The number and amount of scholarships to be given is determined on an annual basis.

Your task is to prepare the best application you can. If you need help, contact your counselor, the Career Center counselor, Sandi Madison, or one of the MBSF board members.
